MEMORANDUM FOR: Director of Training

SUBJECT : Intelligence School Weekly Report No. 30
25 through 31 July 1958

25X1 1. [] is at USIA, observing the training course there,
25X1 and [] will be away until 25 August. [] will be
25X1 on leave most of next week and all of the week following; during
his absence [] will coordinate the activities of the In-
telligence School.

25X1 2. [] Clerical Placement Officer, misconstrued
Mr. Baird's expression of concern earlier this week, apparently
concluding that the Office of Training had no real interest in
screening or standards for clerical trainees. This is, of course,
not the case, since the Intelligence School is very much concerned
with the teachability of students assigned for training and with
the quality of teaching results. A meeting has been arranged among
25X1 [] and C/IS Friday afternoon to "select out"
the less able Clerical Induction trainees. (At [] re-
quest this will not include anyone from A&E Staff. C/IS will keep
C/A&E informed of the use being made of the rate-of-learning scale.)
Based on discussions during the week by C/IS with [] and with
25X1 [] there is every indication that a reasonable arrangement
can be worked out.

25X1 3. [] new EE Training Officer, was briefed by
25X1 C/IS on Thursday, 31 July, and subsequently spent time with Mrs.
[] C/Ops Support, and with []
being briefed on Clerical Refresher Training.

[]
Chief, Intelligence School
